### Statement from the Prime Minister of Canada

It is with great pleasure that I welcome everyone to the 4th annual Close Look Got Talent event, hosted by the Close Look United Foundation.

Since 2010, the Close Look United Foundation has provided a platform for youth to showcase their unique talents. This important platform has empowered young people to demonstrate their abilities to a broader audience while increasing their confidence in themselves and enabling them to realize their full potential.

To everyone that is performing today, please continue to hone your skills, express your passion, and keep reaching for your dreams. I know that motivated individuals like you will make a significant and lasting impact on our country.

The COVID-19 pandemic has made planning and hosting events like this especially difficult, and I would like to thank the dedicated organizers at the Close Look United Foundation for making this event possible.

Please accept my best wishes for a memorable event!
